

Osakis School District

Referendum objective:

- Commons/Kitchen Addition
- Science Addition
- High School Remodel
- Preschool Addition
- Elementary Remodel
- Code/Deferred Maintenance Upgrades

Osakis | Minnesota

In February 2008, R.A. Morton was commissioned to facilitate a Community Task Force for the school district. The purpose of the Task Force was to outline options and cost impact of renovation and additions of the district facilities.

A successful referendum was held on September 9, 2008.

R.A. Morton's Contributions

- Review of support documentation (Studies & Surveys)
- Tour Facilities
- Conduct Listening Sessions
- Facilitate selection of Architect for Pre-Construction Services
- Conduct Task Force Meetings
- Assist in Recommendation to School Board and Review & Comment to the State
- Based on results of successful bond referendum, hired as Agency Construction Manager for School Project.
