Photos: June 2009

Info:

The Police Headquarters, located in downtown St. Cloud, will be a 100,000 square-foot, three-story facility with staff and department parking levels located below the building. It will contain all police department divisions, associated support and lab spaces, and physical training space for staff. Large training rooms located on the first floor can also function as an emergency operations center and as community space for public use.

DENNIS BALLANTINE
CHIEF OF POLICE

July 25, 2008

TO WHOM IT MAY CONCERN:

The St. Cloud Police Department has had the opportunity to work with R.A. Morton over the past many months as we planned and began construction of a new police headquarters building.

The personnel at R.A. Morton have proven to be very knowledgeable professionals who have always approached the project from the perspective of what is best for the police department.

The staff at the St. Cloud Police Department have learned to have extreme confidence in the advice and expertise of R.A. Morton.

I would not hesitate to recommend them as construction managers on any project they might choose to pursue.

If you have any questions, please feel free to contact me.

Sincerely,

D. Ballantine
Chief of Police
